Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Saturday 10 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A cold weekend with wintry showers. Temperatures rising from Monday.

This Evening and Tonight:
Showers will steadily fade inland during the evening leaving clearing skies and a cold frosty night for many. However, near the coast, wintry showers may continue overnight. Minimum temperature -2 deg C (28 deg F).

Sunday:
Wintry showers along the east coast at first. Showers becoming more widespread inland during the afternoon, and turning heavy at times, especially over high ground. Cold and frosty overnight. Maximum temperature 6 deg C (43 deg F).

Outlook for Monday to Wednesday:
Feeling less cold from Monday with sunny spells. Cloudier again on Tuesday, possible showers particularly in the west. Returning to brighter conditions on Wednesday. Still some cold and frosty nights.
